But beware of slumbering; and every moment pray that you may be fully strengthened to escape from all these coming evils, and to take you stand in the presence of the Son of Man” (Weymouth New Testament).

An article by Eric Hogue titled “When Tyranny Wears the Mask of Tolerance” was posted at townhall.com on June 27, 2023. Following is the article.

There are forces at work, in many cases winning the day, which are systematically stripping away our individual liberties, especially religious liberty. Under the guises of tolerance and acceptance, what we are witnessing is the rise of tyranny wearing the mask of tolerance.

This is puzzling, as our Constitutional guarantee of religious freedom already proves our country’s foundation in tolerance. The traditional church is the foundation of God’s forgiveness, grace, love freedom, life and breath.

But recently, another church has arisen, a church of tyranny.

Under the banners of Diversity, Equity and Inclusion (DEI); Critical Race Theory (CRT); and Lesbian, Gay, Transgender, Bisexual and Queer (LGBTQ+) – we find not a church of freedom, but one rewriting our country’s history, re-programming our Constitution, and re-weaving the fabric of our country.

What began as a Progressive ideology embracing DEI, CRT and LGTBQ has morphed into a neo-Marist religion. Its followers have escalated what were political doctrines into matters of faith. The doctrines of DEI, CRT, and LGTBQ have coalesced into a religion which demands purity of thought. Those who dare disagree may as well be considered heretics, unworthy of human respect, undeserving of equal rights.

So now we have two religious ideologies battling for the soul of our nation. One bearing the cross of freedom, a respecter of our Constitution and our individual civil liberties. And the other a religion embracing silencing, de-platforming, and indoctrination.

Mainstream academia has inculcated the belief that those who disagree with its doctrine are guilty of systemic oppression. Those who present alternatives to what’s Woke are labeled Fascists, Transphobic, or White Supremacists. It has come to dominate our traditional and social media. Our common language has been twisted to impose this tyranny of Woke.

Examples abound.

- Mutilating children by sex change is not called gender-affirming health care.
- Segregating groups by skin color has been relabeled Anti-racism.
- Excluding what's deemed impure thought is called Inclusion.
- Expressing common sense truth is labeled violent hate speech.

But here's the simple truth: Someone disagreeing with you does not amount to oppression, violent or otherwise.

The good thing (if there is a good thing) is that the more this Progressive, Woke religion gets its way, the more it reveals its actual agenda.

Progressives are now way beyond making teachers losing their jobs for not surrendering to student's preferred pronouns. Now teachers are denying students credit for turning in reports using factually correct terms – such as biological woman, on the grounds such terms might cause offense.

In Illinois, it is now the law that libraries not surrendering to rules imposed by the American Library Association (ALA) will lose their funding. The ALA is a political lobby whose rules state book selections may not be subject to “partisan or doctrinal disapproval.” So, by law, the policies of a lobby now hold sway over decisions made by locally elected officials and the public which supports them. This is tyranny by definition.

In California, asserting that biological sex determines gender has been declared an act of child abuse. A law is on its way which would cause a parent to lose parental rights should that parent decline to ignore the biological truth about their own child, and resist having their child surgically mutilated or altered with destructive hormones. This is not simply the government taking sides on a social issue. This is the government coercing parents to kneel to a religious ideology, or else lose their child.

These ever-constricting acts are not goals of tolerance, but of mandating a very narrow religious ideology based on nothing more than self-deception and arbitrary standards. These are examples, among many, of social institutional, and governmental coercion and tyranny hiding behind the mask of tolerance.

- It is not Diversity to exclude opinions based on intolerance.
- It is not Equity to deny taxpayer dollars to libraries whose elected boards listen to concerns from the public.
- It is not Inclusion to deny the expression of beliefs simply because some declare them to be offensive.

Religious liberty is where our country's freedom is founded, and where it rests. It is among the first of our explicitly guaranteed civil liberties. Our Founders understood that the opposite of individual liberty is the tyranny of the state.

Liberty rests with the individual.

Liberty rests with the rights of parents to raise their children.

Liberty rests with the rights of property.

Liberty rests with the pursuit of happiness.

God's liberty rests through the gospel of Jesus Christ – by the truth of salvation through Christ's love, His grace, His forgiveness and His sovereignty.

Fortunately, the First Amendment is still the Law of the Land. Under representative government, we (the people) inform government policy-making. Religious beliefs inform the public debate, but cannot be used as an excuse to exclude or limit it.

Ironically, it is traditional religion which inspired the establishment of the very freedoms which now enable the religion of the Progressive Woke to impose its will.

Some of the public has come to accept this religion of tyranny, but not all. We who value true liberty must fight this good fight to maintain our freedoms in the classroom, in the courthouse, in the church and in the town square.

Isaiah 55:6-11—“Seek you the Lord while He may be found, call upon Him while He is near. Let the wicked forsake his way, and the unrighteous man his thoughts; let him return to the Lord, and He will have mercy on him; and to our God, for He will abundantly pardon. ‘For My thoughts are not your thoughts, nor are your ways My ways,’ says the Lord. For as the heavens are higher than the earth, so are My ways higher than your ways, and My thoughts than your thoughts. For as the rain comes down, and the snow from heaven, and do not return there, but water the earth, and make it bring forth and bud, that it may give seed to the sower and bread to the eater, so shall My word by that goes forth from My mouth; it shall not return to Me void, but it shall accomplish what I please, and it shall prosper in the thing for which I sent it.”
