- \* Where Does the Notion of Worthiness Come From?

1 Cor. 11:27            "in an unworthy manner"  
29                      "in an unworthy manner"

- \* Consider the Subject of "Worthiness"

- \* Worthiness is not about the amount of leaven removed from your home--before partaking of the New Testament symbols
- \* Worthiness is not about the amount of sinful behavior removed from your life--before partaking of the New Testament symbols

- \* Consider 1 Corinthians 11:27 -- in the Moffatt Translation

1 Cor. 11:27            hence, anyone who eats the loaf or drinks the  
                             cup of the Lord "carelessly" will have to  
                             answer for a sin against the body and the  
                             blood of the Lord  
29                      for he who eats and drinks "without a proper sense  
                             of the Body" eats and drinks to his own  
                             condemnation

- \* Does Deleavening Make You Worthy?

1 Cor. 5:7            purge out old leaven

1. Christ (our Passover) was sacrificed for us
2. That sacrifice means we are truly unleavened
3. Therefore, purge out old leaven (sinful behavior) and become a new lump (new creation)

- \* Consider the Nature of Mankind  
The natural condition of mankind  
Jeremiah 17:9 -- Matthew 15:18-20 --  
Romans 8:7
